## **Marine Surveys**

### **2016**

#### **Surveyors Comments:**

“For the age of the vessel it appears to be in Above Average condition with many upgrades and new paint work”. **(Report Available Upon Request)**

### **2021**

#### **Surveyors Comments:**

“This vessel is in excellent condition overall. All aspects of the boat and trailer are in new condition. The hull and deck were inspected with a FLIR MR-176 thermal imaging camera and found to be free of trapped moisture in the laminates or coring”. **(Report Available Upon Request)**

## **Service, Maintenance Records / Invoices For Repairs**

Service, maintenance records and invoices for repairs are available for inspection.

The boat has been stored indoors, and is not left in the water after use.

Since purchasing this boat in 2016, over **\$65,000** has been invested to maintain and upgrade the boat to excellent condition overall, as stated by the mariner surveyors comments above.

**The boat and trailer are currently insured for \$107,800.**
